

**Book launch:**

# The Radical Jewish Tradition:

***Revolutionaries, resistance fighters and firebrands***

Donny Gluckstein & Janey Stone

Join us for the launch of this important and timely book recently published by Interventions.

Speakers include **Janey Stone** (co-author), **Donny Gluckstein** (by video) and **Rick Kuhn**.

**6.30pm, Friday 22 March**  
Auditorium, RSSS Building, ANU

Attendance is free but seating is limited so please register at [TryBooking](#) or the QR below.

*"This timely book is an excellent antidote to any attempt to de-historicise conflicts such as the one raging in historical Palestine. Pre-Zionist Jewish life and culture invalidates the absurd attempt to equate Zionism with Judaism and anti-Zionism with antisemitism."*

**Ilan Pappé, Israeli historian**

*"Nowhere else will you find a coherent account of the Jewish socialist tradition's currents in eastern Europe, London, and New York. The tradition is counterposed to the Zionist fable that Jews can achieve security through militarism and colonisation."*

**Rick Kuhn, Australian Marxist scholar and Deutscher Prize winner.**

**INTERVENTIONS**
