Middle East Update: US/ Israel War on Iran

The Regional and Global Costs of the Conflict

The ongoing US/Israel War on Iran has grave human consequences that deeply threaten regional & global peace

- 1,500+ people reportedly killed in Iran plus 3+ million displaced.
- 1000+ people have been killed in Lebanon and 1+million displaced.
- Iranian retaliatory strikes have caused deaths and injuries across the UAE, Saudi Arabia, Bahrain, Kuwait, Oman, Qatar, Iraq, Jordan, Syria & Israel.
- Israel has closed all Gaza crossings increasing fears famine will return.

As the war enters a new phase, the region's peoples, environment as well as the world's energy systems, security and economies are further threatened
